COSTE IONUT PETRU
FRONT-END WEB DEVELOPER

Ireland Dublin City Center

ionut4046@yahoo.com / +353899809162

SUMMARY

Detail-oriented Junior Front-End Web Developer passionate about creating engaging and user-friendly web experiences. Proficient in HTML5, CSS3, and JavaScript, with a track record of building responsive and interactive websites. Eager to collaborate within dynamic teams and harness emerging technologies to deliver innovative solutions. Possesses strong problem-solving skills and a commitment to continuous learning and professional growth in the ever-evolving field of Front-End Development. With nearly 1 year of experience in personal project development, I excel in HTML5, CSS3, and JavaScript, and have hands-on experience with front-end frameworks like React.js. I prioritize cross-browser compatibility and stay current with the latest technologies and best practices in Front-End Development. My primary objective as a Web Developer is to advance into a Professional Full Stack Web Developer role.
